I am requesting funding for the **North Texas Semiconductor Workforce Development Consortium project** in fiscal year 2023.

The entity to receive funding for this project is The University of Texas at Dallas, located at 800 W. Campbell Road, Richardson, TX 75080.

The funding would be used to develop and implement the North Texas Semiconductor Workforce Development Consortium (NTSWDC) to address work force needs in semiconductor related industries in Texas and the Nation. The consortium will provide infrastructure and curriculum support to community college partners with a goal of enhancing the pipeline of a prepared and qualified workforce for the semiconductor industry.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
